MEMORANDUM FOR: The Honorable William J. Perry  
Under Secretary of Defense for Research  
and Engineering

FROM: John N. McMahon  
Acting Deputy to the DCI for the  
Intelligence Community

SUBJECT: Report Concerning Intelligence Community Support  
to DoD R&D (U)

1. (U) Attached is a copy of an Intelligence Community Staff Study titled, Intelligence Community Support to Research and Development. The primary focus of the report is on Scientific and Technical Intelligence support to DoD Research and Development. The report contains some significant recommendations which hopefully could lead to better intelligence support to R&D.

2. (U) Several members within DoD have been briefed on this report, including Admiral Murphy, Dr. Dinneen, and General Tighe. Additional copies of the report have been forwarded to those officials.

3. (U) The IC Staff is prepared to assist in evaluation of the study as well as the implementation of the recommended actions on a Community basis.
